## DURHAM REGIONAL POLICE SERVICE AUXILIARY UNIT 2023 ANNUAL REPORT

For over 47 years, the Durham Regional Police Service Auxiliary Unit has proudly provided volunteer community service to the citizens of Durham Region.

#### Message from A/Inspector Amanda Hoover

On behalf of all members of the Durham Regional Police Service, I express my most profound appreciation for the steadfast dedication and tireless efforts every one of you continually demonstrated in 2023. I had the pleasure of interacting with each of you throughout 2023 in various capacities; your commitment to the Durham Regional Police Service Auxiliary Unit unapologetically shone through as you spoke with incredible pride about the opportunity to represent the Durham Regional Police Service in our community.

2023 was a year in which the unit came together to support each other during the tragedy of the loss of a long-term member to a terrible illness. I had the honour and privilege to watch you provide support and compassion to the member and his wife, through countless hours of driving long distances to and from their home, to make sure she did not have to make that trip alone, hours spent visiting at the hospital, and ultimately your strong showing of support at the ceremony of remembrance. The camaraderie and sense of team were demonstrated so powerfully during those tough months, and I was humbled to watch this unfold.

As members of the Durham Regional Police Service Auxiliary Unit, in 2023 you collectively provided a total of **16, 149 volunteer hours**, and assisted at **165 events**! All this while ending the year with only 59 members of an authorized strength of 90 members. This is a testament to your commitment to the Auxiliary Unit, the Service and our community to continue to provide support to so many events, as listed below in this report. With lower member numbers than usual, many of you had to volunteer your time at an even higher level than in previous years to ensure the continued success of these events. This was often a personal sacrifice for you and your loved ones, with increased time away from those important to you.

To combat the decreased number of active members in the Auxiliary Unit, a robust recruitment process took place starting in the spring of 2023, involving members of the Talent Acquisition Unit, the Education and Training Centre, the Auxiliary Liaison team, and the Auxiliary Unit Senior Officers. Numerous hours were spent reviewing the many applications, providing information sessions, selecting candidates for interviews, interview panels and background checks. We ended 2023 with the positive news that we would have approximately 30 new recruits to begin training in 2024.

As members of the Durham Regional Police Service Auxiliary Unit, you represent the Durham Regional Police Service, engaging with individuals, partners and stakeholders alongside our sworn and civilian members. As demonstrated in the attached letters of recognition, your efforts are greatly appreciated.

Your presence at community events, outreach programs, and educational initiatives fosters positive relationships between Durham Regional Police Service, residents and visitors to the Region of Durham, building trust through your engagements and interactions. I have personally witnessed many of you at community events having conversations with members of the public of all ages, providing education and information, directing traffic and assisting with crowd control with confidence and professionalism.

Your participation in community events, providing traffic control, support in emergencies, and creating a secure environment while enhancing public safety are essential to the Service's success. Your efforts, regardless of the weather or time of day, contribute significantly to the safety and well-being of our community. You do this as a volunteer with a sense of pride and responsibility, which is admirable and respected.

I want to thank the Auxiliary NCO members – the Acting Sergeants, Sergeants, and Staff Sergeants who are the mainstay of the unit. Your dedication to your leadership roles and the additional responsibilities you take on in your supervisory capacity allow the unit to run seamlessly. You mentor, coach, train and guide the membership

with enthusiasm and vigor, ensuring the values and standards expected by the Durham Regional Police are met and exceeded. I see the pride you take in these roles, and I thank every one of you for your dedication; we could not do this without you!

In summary, I extend my deepest gratitude on behalf of the Durham Regional Police Service for your unwavering commitment to the Durham Regional Police Service Auxiliary Unit. Every single member is appreciated for your contributions and dedication. Your selflessness and sacrifice as a volunteer member of the Auxiliary Unit allows the Durham Regional Police Service to conduct countless events in the community we could not do without you, and for that, we are grateful!

Please also pass along our sincere thank you to your families and loved ones for the support they provide to you, allowing you to spend time away from them, as a part of the unit. We understand that their support is crucial and we are deeply grateful for it. I have had the privilege of speaking with some of your family and loved ones and can see the pride they have in the work you do in the community and you as individuals. They, too, play an integral part in the success of the Durham Regional Police Service Auxiliary Unit, and we want to provide them with this recognition as well.

With respect and sincere appreciation,

Amanda,

A/Inspector Community Safety and Well-Being Unit

#### **Sharon Bowdring Auxiliary Officer of the Year Award**

The Sharon Bowdring Auxiliary Officer of the Year Award was created in memory of Sharon Bowdring who was one of the 13 original members of the Auxiliary Unit when it formed in 1977. After serving only a few years, Sharon passed away and members felt something should be created in her honour. With approval of Chief Jon Jenkins, the award was created.

The Auxiliary Officer of the Year is awarded based on characteristics such as reliability, strong commitment, presenting a positive and professional image, enthusiasm, a solid team player and being a good mentor to fellow officers.

Congratulations to our 2023 award recipient Auxiliary Constable Michael Iannantuono.

2023 Auxiliary Officer of the Year

#### **Letters of Appreciation**

I Just wanted to update you on the very successful NOCC initiative held in CE Division today. A great partnership between Uniform Patrol/Community Safety-Crime Prevention Unit and the Auxiliary Unit, resulted in the following below.

A Total of 521 residential homes were canvassed, with a successful contact of 337 homes and 180 unsuccessful attempts. It was an overwhelming positive interaction for our members and the public. Echoes of praise were heard by every officer as they received gratitude, compliments and safe wishes from various homeowners.

First off, a special Thank You to Cst. Brandon Hammond for his initiative and leadership today.

I also wish to thank the auxiliary unit and uniform officers for their unwavering commitment and professionalism in assisting and educating the public today with these very important neighborhood campaigns.

Senior Cst. Darryl Rice #3309

\*\*\*\*\*

Hello all,

I just wanted to thank everyone for helping out on our NOCC initiative today.

We were able to connect with the residents who reside within the 83 zone that have been targeted by property offences as of late. Evensong Dr, Pheasant St, Kilberry Dr, Beech St, Bradley Dr and Hickory St were all visited.

Thanks to CIB/Melissa for providing the information regarding the increase in crime, auxiliary units and members of 18B for getting the information out there, and A/Sgt Gomez for organizing. It was a fantastic team effort. Several of the residents I spoke with expressed their gratitude for our presence. Thanks again,

Sergeant Annie ORMONDE #3379

\*\*\*\*\*\*

I just wanted to update you all on what was an absolutely amazing day of generous giving across the Region of Durham in support of the 32nd Annual DRPS Food and Toy Drive.

All 6 stores were overwhelmed by the public's support and generosity. Every agency benefitted beyond what was expected. Several trips to and/or pick-ups were needed just in order to stay on top of it all.

I wanted to take this opportunity to once again thank the auxiliary unit for their assistance. Trying to organize/coordinate such an event today is a lot of work, and thus requires the resources to make it happen. This would not have been possible today without the assistance from the men and women of the Auxiliary Unit. They continue to participate with enthusiasm and professionalism. Please be sure to pass along to them, how much they are appreciated.

Thanks again, everyone. Today was once again an indication that this will be the "BEST" year ever, and COVID will NOT slow us down.

Be safe and Be well Thanks Senior Cst.Darryl Rice #3309 Crime Prevention Unit

\*\*\*\*\*

As you can see via the email distribution list, I have forwarded your list of involved members to my supervision team, as well as Divisional Inspector. The work you and your auxiliary staff do is often overlooked; however, I wanted my supervisors and Inspector to know who, from your membership, was involved in this initiative today. Your staff did an outstanding job bringing awareness of this ongoing crime trend to one of the Region's busiest commercial entities. I have no doubt that your work there today will have an impact in regard to our incidents, as well as help the people we serve in safeguarding their property.

Again, thank you for your hard work today!

Respectfully,

JBD. PC Jeremy BIRD-DAWSON #3791

Hello Everyone

Just an update regarding this evening's "Lock it or Lose it" initiative in Ajax.

A total of 6 residential communities were canvassed/educated this evening regarding NOCC crime trends, (vehicle entries and thefts) as well as promoting the DRPS camera registry program.

A total of 385 homes were canvassed!!

272 direct contacts were made at the door and 113 were unavailable

First off, I want to thank the leadership of 19Divs and Community Safety for your support. I also want to thank my fellow officers (Bisson-Moser, Milton and Legge) and the CIB assistance of MacIver and Gordon who also kitted up and hit the pavement in uniform.

To the Auxiliary Unit, I wish to once again extend my gratitude for your commitment and continued professionalism. All those who participated this evening, did it without complaints, while braving the rain on a damp, dark and cool evening.

Praises were all around this evening as the community thanked the police for being out and doing what we do. Many were either unaware of the crimes that had occurred, while others mentioned they had heard it on 680 News (coincidence that it was also being promoted by our neighbouring Police Services on the same date).

"Nevertheless," it was a very successful night, and once again, a great way to promote the amazing work done by "ALL" of our members.

Aux. Insp POW, please be sure to thank your unit again on my behalf

Thank you again, everyone; I greatly appreciate all of you!! If I and/or the Community Safety Branch and Crime Prevention Unit can be on continued assistance, please don't hesitate to contact me.

Senior Cst.Darryl Rice #3309 Crime Prevention Unit

Hello Inspector

I just wanted to give a shoutout to Aux Sgt Stein and his Team. They did a great job keeping everyone safe for this year's Ajax Santa Claus Parade.

It's impressive to have such a dedicated group of volunteers supporting the front line.

PC. K Minister #3215 West Division Uniform Patrol C Platoon 905-579-1520 Ext:2521

Hi Clint,

Thank you so much for the accolades.

We couldn't do what we do without the support of the DRPS and the Auxiliary officers.

I understand the parade was a success, and this a direct result of teamwork with all groups. Good luck on the remainder of the parade season.
